

Announcing New Website

Newsletter

4th Aug, 2015

Dear IPCRG colleague

I'm pleased to announce that the IPCRG's website is now more accessible and easier to navigate: please take a look at www.theipcr.org

My thanks to the webteam of Janwillem Kocks, Miguel Roman, Sam Louw, Linda Kennison, Siân Williams, Lucy Searles, Laurens Hogeweg and Zareh Geertjes.

We hope that you find all that you need there. We welcome suggestions of additional resources, and please use the "Share" button to alert businessmanager@theipcr.org if you find any errors or omissions.

1. Click on the  button to expand the menu.

2. This reveals the Share button.

3. Type in "Sam Louw" and the right address will be offered as an option.

If you are not yet registered on the site, please do this to have the best viewing rights. You can do this by going to <http://www.theipcr.org/signup.action> and it doesn't cost you anything. We look forward to your feedback.

Kind regards

Dr Ron Tomlins
President IPCRG

The International Primary Care Respiratory Group (IPCRG) is a charity registered in Scotland working internationally (SC No: 035056) and a company limited by guarantee (Company number 256268)
