

# WONCA 2013 World Conference, Prague, Czech Republic

The IPCRG will be giving four presentations at the 2013 WONCA World Conference in Prague.

The conference will take place in Prague on the 25th - 29th June 2013.

Four workshops have been included in the preliminary programme:

***1. Strategies towards smoking cessation (Wednesday, June 26, 10,00-11,30)***

***2. Investigation and treatment of common allergic respiratory conditions that should be managed in general practice (Wednesday, June 26, 15,30-17,00)***

***3. Asthma Control and Severity. What should the doctor do to support patients with uncontrolled and severe asthma (Thursday, June 27, 10,00-11,30)***

***4. Early Detection and Management of Stable Disease and Exacerbations (Friday, June 28, 15,30-17,00)***

Please note, that this is a very preliminary programme and can be a subject of change.
