

World Asthma Day - 1st May 2007

Subject: World Asthma Day - 1st May 2007

Date sent: 23 April 2007

Message:

Here's a reminder that World Asthma Day is 1 May 2007. Good luck to Osman Yusuf who is organising a seminar in Abu Dhabi, building on work in UAE and the Gulf region in 2005 and 2006. Do let us know if any other activities are planned.

You will find on the IPCRG website a number of useful asthma resources:

[the IPCRG international primary care asthma guidelines](#)

The IPCRG users' guide to asthma control tools
http://www.theipcr.org/resources/asthma_control_tools.doc

Our position statements on asthma management
<http://www.theipcr.org/resources/introduction.php>

Our Exchanges work sharing practical ways of managing children with asthma
<http://www.theipcr.org/ipcrgexchanges/index.php>

Our latest position on LABAs in asthma
<http://www.theipcr.org/resources/labainasthma231106fv.doc>

Our spirometry opinion sheet providing 2 page practical advice on spirometry
<http://www.theipcr.org/resources/spirometry.pdf>

BioMed Central supplement on rhinitis and asthma
http://www.theipcr.org/resources/resources_asthma.php

Slides from our conference on asthma
http://www.theipcr.org/presentation_asthma/asthma.php

Kind Regards

John Haughney

IPCRG President
